

Visitor Onsite Experience

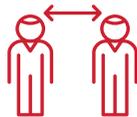

Facilities Require Temperature Screening to Enter.

You may keep your face covering and glasses on.

Face Covering Required for Entry.

Please Maintain Social Distancing.

Screening Questions

1. Have you received a positive test result for COVID-19 in the last 10 days?
2. Are you currently experiencing (or in the last 10 days have experienced) any of the following symptoms not attributed to any other health condition?

- SYMPTOMS**
- Fever (100.4°F or higher)
 - Shortness of breath
 - Chills
 - Sore throat
 - Muscle aches
 - Loss of taste/smell

If you answered yes to either question above, please do not enter the facility.

Additional Protocols

- Separate zoned entrances for employees, vendors and clients.
- Hygiene measures (wipes/sanitizer) and "hands free" options at entrances.
- Elevators: 1 rider at a time.
- Face covering required when in common/high traffic areas such as breakrooms, hallways, bathrooms, etc.
